

# DEADLINE FOR DEMOCRACY: Rallies on Friday, July 2

## Support of S.B. 1 – For the People Act

There are honk-and-wave sidewalk rallies planned on **Friday, July 2**, in the South, East, and North areas of the region (note: each rally is at a different time). They will be about standing up for voting rights and raising awareness about the importance of the S.B. 1 - For The People Act.

H. R. 1, the comprehensive voter protection bill, passed in the House of Representatives months ago. But the companion bill in the Senate, [S. B. 1](#), has been filibustered by Republicans and now stands in peril of not even coming up for debate.

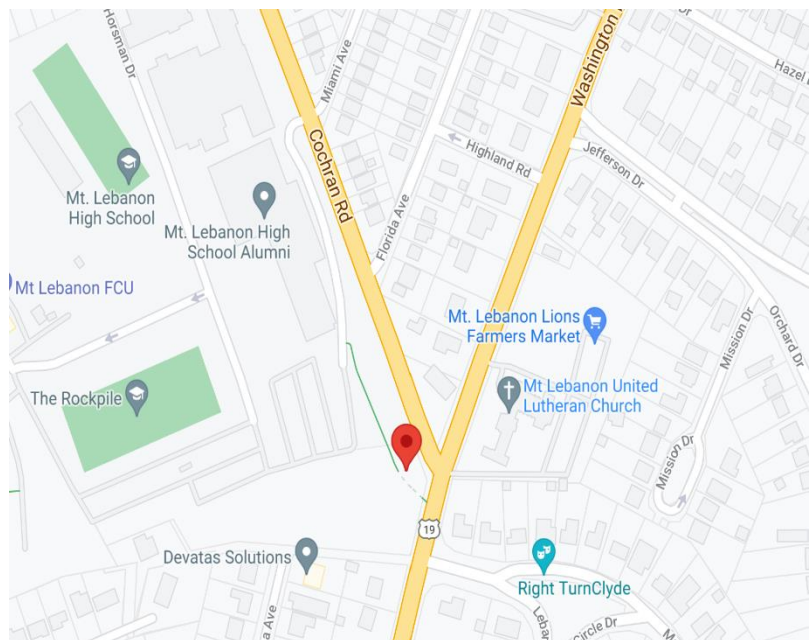

In response, more than 70 voting rights and allied organizations have launched **Deadline For Democracy**, a massive cross-movement mobilization, to show senators from all 50 states that there is **overwhelming grassroots support** for voting rights and the elimination of dark money and gerrymandering.

Please join at whichever location is most convenient (or locate another event on the [Indivisible](#) map). See more information including location of each below.

### MT. LEBANON EVENT – Friday July 2 at 4:00 PM

There will be an event in **Mt. Lebanon** at the [corner of Washington and Cochran Roads](#) on **Friday, July 2 at 4:00 pm**. Connor Lamb and PA Supreme Court nominee Maria McLaughlin will be joining us.

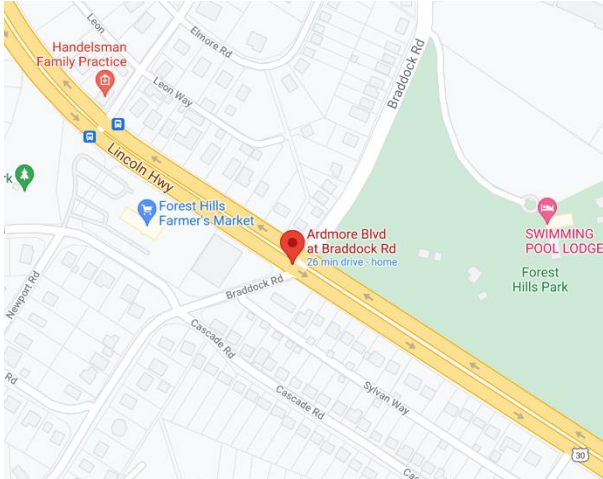

We'll be forming a **human billboard** so that passing motorists can read our message: **PASS SENATE BILL 1 FOR THE PEOPLE ACT**. We'll need 8 people to hold signs, one for each word (signs will be provided). If you bring your own sign, we recommend short, easy-to-read messages like **STOP VOTER SUPPRESSION**, **Flags** and other props are welcome.

The event is rain or shine, except in the case of dangerous weather (lightning or heavy rain). You can just show up, but if you want to participate in the human billboard or receive updates about the event, please sign up [here](#).

If you live in the eastern part of the city or its suburbs, please join the [rally](#) by [Indivisible Forest Hills](#) at 5:00 pm at the corner of [Ardmore Blvd and Braddock Roads](#) in Forest Hills, PA 15221.
